2024/2025

EDITION 2

As we gear up for the 2024/2025 season, we're excited to share some important updates and reminders.

Growing Our Men's Competition!

Our Men's competition is gaining great momentum, and we want to encourage all corporate companies to support their male staff in forming teams. It's time to break away from the notion that netball is just a women's sport—it's for everyone! Let's promote inclusivity and grow the game together.

Umpiring and Coaching Clinic – Limited Spots Available!

We are thrilled to announce a special clinic for aspiring umpires and coaches, led by none other than Richanda Kassman.

There are only 30 spots available, and the fee is K200 per person.

If you're interested, don't wait—email us to register and secure your place!

This clinic is open to everyone and is part of PCNC's commitment to giving back to the netball community by enhancing skills and knowledge.

We especially encourage the younger generation to take part.

Important Reminder: Calendar, Constitution & Rules and Regulations

On Wednesday, October 9th, PCNC sent out the season calendar, the new Constitution, and the Rules and Regulations document via email. The Rules and Regulations are currently under review to focus solely on the competition rules.

In the meantime, please take the time to read through these documents and get familiar with the rules as the competition rules remain unchanged. If you have not received these documents, please contact us immediately, and we will forward them to you.

Please refer to '2024/2025 Season Calendar' on next page.

Eligibility Criteria for Players

According to Section 3.2 of the Rules and Regulations, the eligibility criteria for participating in a PCNC team are as follows:

- (a) An individual must satisfy one of the following conditions:
 - (i) must be a permanent employee of an Affiliated Company, Semi-Government Organization, or NGO;

Nambawan Super Team in Sydney!

A big shoutout to our Nambawan Super team, who are currently in Sydney competing in the 'Australia Corporate Games'!

Although the team played 3 games and faced some tough competition, it was a fantastic learning experience. We are proud of their efforts and the initiative taken to represent PCNC at such a prestigious event.

With President Julie Mai also in attendance, we look forward to bringing back insights to improve our own PCNC competitions!

First game 8-17 against McDonald

Was a even tussle First half until Fitness got the better of us 9-16.

Would have got this if all the attempts went in from right under the post 11-16

Breast Cancer Awareness Month

As part of Breast Cancer Awareness in October, we will be honoring this important cause.

All teams are encouraged to wear 'pink' on the last Sunday of the month to show their support.

Let's come together as a community and raise awareness while we compete on the court!
