

Greetings, representatives of the company. We would like to advise teams to be aware of the rules and restrictions as the competition progresses and becomes competitive. Despite a strong turnout today, several clubs were disqualified for not fielding a team. We hope everything will be well this weekend.

Fielding of illegal players

Competition participants are coming up to the bench, identifying illegal players on the courts. Any complaints brought to the bench will be looked upon without hesitation, and they will be handled appropriately.

It is disappointing to observe that team managers continue to disregard the guidelines in spite of the repeated reminders. This says a lot about the group and the practice they do.

As we keep saying, encourage your staff to participate in the sport. The goal is to keep the workplace fit and healthy.

Registration Forms and ID Cards

This Friday, November 22, is the new deadline

for registration forms, ID templates, and registration payments. Since this is the last notice, we kindly ask that all payments and documents be in by this Friday.

It is difficult to confirm a player's eligibility because the forms have not been submitted, but because the official season has already begun, this will be compared to the completed scoresheets.

Scoresheets

When it comes to signing the score sheets, teams are still attempting to complete their scoresheets when they are supposed to be already on the courts. Scoresheets are expected to be signed at least 10 minutes before your game. This allows ample time for umpire checks and the game to start on time.

Appropriate Sports Uniforms

Once more, please wear appropriate sports attire. Everyone is urged to wear bike pants rather than non-sports wear like six pocket trousers.

Draw Shifts

The teams that were impacted by last weekend's draw shift will have to play all of the draw's games in the new division. To play these outstanding games, double games will be scheduled for 3pm. Teams will be advised accordingly.

Physiotherapy

We are happy to announce that on December 1st, we will be hiring a physiotherapist. The player will pay for strapping; if not, she will treat any injuries sustained during the game.

St. Johns Ambulance

Additionally, we will be able to use St. John's Ambulance for the length of the competition thanks to DT Global.

Correct Email addresses
