

Good afternoon Company Reps. On behalf of the Executives, I would want to give some views and updates following today's games as we wrap up Game 3 of Round 1, with a focus on the continued adherence to rules and regulations, issues brought up, and a reminder about registration paperwork.

Competiton Intensifies

The intensity of the encounters is increasing, demonstrating our players' diligence and commitment. I want to express my gratitude to everyone for their efforts on and off the field.

Player on-field safety

Before, players take to the courts, we would like to emphasize to the team management the importance of making sure they are healthy. Players are advised to drink plenty of water prior to the game, especially at midday when the sun is very hot.

St. Johns Ambulance participation

This week, the executives will get in touch with St. John's Ambulance to confirm their participation for this season.

Player eligibility

Last week, it was noted that if names are not on the scoresheet, they shouldn't be handwritten.

Before the member appears in court, the team must update the registration form with the new name and to be put on to the scoresheet. Players whose names are typed on the scoresheet are considered registered.

Rules & regulations

The executives have been made aware of a number of issues pertaining to compliance with the rules and regulations.

All teams must carefully go over the rules to guarantee adherence in subsequent games. To reduce misunderstandings during games, team representatives must remind participants of the rules and procedures.

Umpire Issues

Most of the issues brought up today have to do with the umpire. It is critical to keep in

mind that umpires are crucial to preserving the integrity and flow of the game.

I encourage everyone on the team to politely and appropriately voice any concerns. We'll look over these grievances and talk about how we can make everyone's next experience better.

Umpire clinic

The umpire clinic is scheduled for this weekend (Friday, Saturday, and Sunday).

Full details will be broadcast mid-week. The coaching clinic is scheduled for January 2025.

Registration forms / Payments

As we progress further into the season, it is crucial that all players have their registration forms completed and submitted promptly.

This week is the Final deadline for teams who requested more time.
