

## **G**ood Afternoon Company Reps, a good turn out today, compared to the 1st trials as we pick up the momentum.

We had an unfortunate incident on the courts today which required the ambulance to take care of the situation.

Please, I cannot emphasize enough to train, keeping the body fit to play under the conditions we are subjected to.

Although the slow start with the new teams continues, we hope we can improve on this on the last trials. We expect teams to be at least an 1hr to 30mins before the start time.

Otherwise, timing overall was managed very well by the Games Director we were able to finish on time.

We will now be adjusting the draws for the 3rd trials. Teams who did not show for the last two trials will be removed from the third trials draw.

As we move towards the proper season, team management are requested to observe the rule and regulations and apply it accordingly.

Team Registration Forms, ID Cards and Rego Payments are also due before the 1st of November.

We have noted a few teams fielding in relatives other than children and spouses. We will not hesitate to disqualified the team if information is correct.

Reminder on the fielding of players, for female, if children and spouses are registered, there must be 4 employees and 3 defenders on the court at any one half.

The ruling is the same for man, however, allowed to invite 3 players to join the team.

We hope by next week, teams would have sorted out their teams before the proper season start.

We are happy to announce the PCNC website will be launched sometime next week. All the information will be accessible to all players for their conform.

Designated email addresses will also be shared for the convenience of communication and prompt responses.

## \* 2024/2025 Season Calender
