

Good afternoon Team Reps, Sunday 10th November marked the official start of PCNC proper season with first game of round 1 completed. It was a good atmosphere amongst players, coaches and supporters who showed enthusiasm to start the 2024-2025 season on an energetic mode.

Despite the late start, we eventually caught up with time from Division 16 onwards. We hope to improve timing in the remainder of round 1 after couple of games were forfeited.

By now teams should be settled and anticipate an exciting competition ahead, except for the new comers in the last two divisions, who should be on par next week.

Teams are advised that there will be some slight shift in the movements of divisions due to an oversight - not including a team in division 14.

The teams that got promoted on game 1 will be relegated to their initial division next week.

Feedback on today's games

Uniforms - We urge all companies to fully attire their players so that the team

is uniformed. With regular competition underway, those teams that play without proper uniforms or half dressed will be dealt accordingly after game 1.

All teams must be in full attire next week to avoid been penalized following complaints from the season opener.

Communicate with Lawrence Lahari who is able to introduce you to a genuine supplier.

Fielding illegal players – We have already received complaints against companies, fielding illegal players.

The Executives will not hesitate to award the game to the opponent team, if you choose to disobey rules despite been aware of the R&R.

This is a serious offence and can

implicate the full team and PCNC executives will not hesitate to report those teams to the Companies Senior management as you represent them on the courts.

The R&R is now ready and will be shared on Wednesday. Please take time to read the R&R and abide by it accordingly. We urge all Company Reps to be honest when registering a player and report any player not eligible to play in the team.

Everyone is reminded that this competition is to encourage employees to actively participate in sports for healthy well-being in the work- place.

The team composition must be 4 employees and 3 dependents in a game if a team has registered dependents.

A team will immediately be penalized if more than 3 dependents are playing in the same half.

Registration Forms and ID Cards

All forms and ID Cards must be handed in by Wednesday this week as writing of names on the scoresheet will not be entertained in game 2.

Registration Fees

Registrations Fees must be paid by 15th of February, 2024. This is the final due date. Email address

We urge everyone to be directly emails to the correct email address for responses.

(ii) Treasurer Treasurer@pcnc.org.pg

Umpire and Coaching clinic

Those interested participants are encouraged to complete table below and revert for teams who have paid their fees. Please fill in the information by Tuesday as the Facilitator will be registering the applicants towards the end of this week.

Umpire Clinic		Coaching Clinic	
Name	Company	Name	Company

Code and Conduct

Once the R&R is finalized and uploaded on the website, will launch the website.

Teams will be required to sign off the code and conduct which is an annexure on the constitution.

Lastly thank you all for your support and corporations to conclude the first game of round 1 and hope it continues in the same spirit for the remainder of the year.

Do share your ideas and thoughts should we need to improve on any thing.
