PCNC Excom

Greetings, Company
Representatives. First and
foremost, we are grateful to God for
guiding us through the first round.

It was not an easy journey, and the
Executives want to express our gratitude
to the company representatives for their
cooperation and help in making sure the
competition run smoothly.

With cupcakes and the joy of Christmas
in the air, the end of the 1st round was
fantastic. Thanks to LP Backline for stepping
in with the generator for the day, we were
able to reorganize and continue with the
games on schedule despite a slow start
caused by the power outage.

We will have all the queries and changes
to registered forms sorted out before
the start of the second round. We will be
expecting changes to certain divisions due
to the fortified games.

The Umpire and Coaching Session is
scheduled for the 14th of January to the 19th
of January as follows:

Umpires: 14, 15, and 16

Coaching: 17, 18, and 19

Registered participants can plan their
schedules accordingly. The facilitator is
also able to attend training sessions and
coach during her time here from Monday
to Thursday. Profile of the facilitator is
attached (on next page) for your information.

She is also available for lunch hour
education sessions if interested.

The registration fee to participate is K200
for coaching and K200 for umpiring.

As we pounded on Round 2, here is
update on PCNC's plans moving forward.
